Text | 1 (Arduino Uno R3)

```
    Serial.print(smallCount);
    Serial.print(" | Medium: ");
    Serial.print(mediumCount);
    Serial.print(" | Large: ");
    Serial.println(largeCount);

    waitingForObjectToClear = true;
  }

  // Resume the conveyor after the object has left the sensor
  if (waitingForObjectToClear && gapCm >= OBJECT_DETECT_CM) {
    diverter.write(SERVO_REST);
    waitingForObjectToClear = false;
    conveyorOn();
  }

  delay(100);
}
```

Serial Monitor

```
Length-based object sorter ready.
Place an object against the fixed guide.
Measured length: 23.0 cm
Sorted: LARGE
Counts - Small: 0 | Medium: 0 | Large: 1
Measured length: 0.0 cm
Sorted: SMALL
Counts - Small: 1 | Medium: 0 | Large: 1
```

Send | Clear
